WINTER NEWSLETTER 2018

## PLANT CORNER

Inspiring and Beautiful! The best fall colors in recent memory. Hope you took the time to enjoy the views from Grandview Drive this fall. Everywhere you looked the reds, yellows, oranges, and purples were alive. Sad now that we are entering the winter months. Can't wait for seed catalogs and starting all over again. Isn't Mother Nature just incredible?

I've always wondered who writes the lists that say what plants deer do not like to eat. Do they ever test them or ask the deer? Deer don't read, in fact, I'm beginning to think that they like everything. It's been a tough year to plant for deer.

## From Dale's Desk

The end of each landscape season is one of my favorite times of the year. It offers some much needed time to move at a little slower pace. The end of the season brings Christmas and the opportunity to celebrate the birth of our Lord Jesus. I wish you a Merry Christmas, and I hope you all will celebrate that and spend quality time with family & friends near the holidays. We have been blessed again this year.

## News from the Maintenance Crew

My Grandma was right; the years go by faster every year! The maintenance team and I want to wish you and yours a peaceful Holiday season. Keep warm and we will see you in the spring.

-Kim, Mariano, Kristen, Mike, and Morgan

We are now corresponding with our customers via email. This includes our seasonal newsletter, plant info, and gardening/maintenance tips. If you are interested in switching to email, please contact us at [katy@stuberlanddesign.com](mailto:katy@stuberlanddesign.com) and we will add you to our list.
